"We propose that information be shared horizontally, across new networks that transcend individual agencies."

-The 9/11 Commission Report

"No one agency can do it alone. Well-meaning agency officials are under tremendous pressure to update their systems. Alone, they may only be able to modernize the stovepipes, not replace them."

-The 9/11 Commission Report

CopLink Connects the Silos

COPLINK®
ACCELERATING LAW ENFORCEMENT

## How It Works

- Ties Directly into existing Record Management Systems (RMS) - No additional entry is needed.
- Data Fields are Normalized - All 27 spellings of Mitsubishi map to the same spelling.
- Data is received every night – Adds, Updates, and Deletes available the next day.

## What Users Can Do

- Accessible from any web enabled device.
- Search all data sources at the same time.
- Automatically make connections between objects.
- Facial recognition against millions of mugshots.
- Boolean and wildcard searches.
- Photo Arrays.

# What is in CopLink Today

Over 240 Sources

- Police Departments
- Registry of Motor Vehicles
- Inmate Data
- Sex Offender Registry
- Parole
