Ms. Crockford

I am responding to your public records request under M.G.L Chapter 66, section 10.

The Franklin County Sheriff's Office does not use facial recognition software. I spoke to our information technology department and they reported that we are not in contact with any vendors on the subject.

I hope this fulfils your public records request under M.G.L Chapter 66, section 10. If this does not complete your request, please modify this request and resubmit to me and I will review it accordingly under M.G.L Chapter 66, section 10.

Regards,
