To: policerecords <policerecords@newtonma.gov>;

I understand. Can you perform a full search of all records to confirm there are not records responsive to my request?

Thank you.

Thanks. Are there other records besides the ones you searched? Can you search those, too?

A search of our Local NEWTON ONLY records management system does not indicate any information on file in reference to your inquiry herein. This is not to be construed as definitive, only that a good faith effort was unable to locate any information within our normal retainage period. If this was an accident that occurred on a state road, please check with the State Police for a Crash Report.
