Re: Public Records request related to the use of facial-recognition products of services (Follow-Up)

This letter is being sent to you as a follow up to the to the response sent on 26 March responding to your original FOIA request dated 07 March 2019 requesting public records under the Massachusetts Public Records Act § 66-10.

After a review of our records, we have determined that to date, the Peabody Police Department has not sought to acquire any facial-recognition products. The Peabody Police Department did have two Detectives attend an 8 Hour Training Class regarding Facial Recognition and Best Practices. Attached please find a copy of all records pertaining to that attendance.

Please contact me at 978.538.6354 or email me at ezawacki@peabodypolice.org with any questions, concerns, or if you need any other assistance in regards to this matter.

Respectfully,

Eric M. Zawacki
Lieutenant
Keeper of the Records
Peabody Police Department
