RE: Public Records Request dated April 11, 2019

Dear Ms. Crockford:

This letter is in response to your public records request of communications between any representative of the Northampton Police Department and any vendor offering any facial-recognition product or service.

I have completed reviewing, printing and redacting these documents. Initially, you paid \$470.10 for this service - \$72.20 for the printing of the e-mails and \$347.90 for the estimated 25 hours of time for reviewing and redacting. The total amount of time taken to complete was actually 36 hours, leaving a **\$190.30** balance.

Please inform me if you prefer to receive these documents by US Mail or personally picked up at this department. If you wish to have them mailed to you, please note there will be an additional charge for postage. Upon receipt of the balance due, delivery of said documents will commence.

If you have any further questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Jane Lawnicki".
