Hi Kade,

Here are some answers to the records request that you submitted. We are still waiting on Capt. Ford to complete an e-mail search and will send the results as soon as he is finished. Lt. Lavita provided some information, but is on vacation until next and will complete her search when she returns.

1. Communications between any representative of the Revere Police Department and any representative of any vendor offering any facial-recognition product or service.

Attached are 7 pages of e-mail correspondence with facial-recognition vendors. Waiting on further response from Capt. Ford.

5. Manuals, policies, procedures, and practices governing the use or monitoring of a facial-recognition product or service or related information or databases.

To the best of our knowledge, the Revere Police Department does not have any manuals, policies or procedures responsive to this request.

6. Training materials related to any facial-recognition product or service by employees of the Revere Police Department.

According to the Revere Police Department's Training Officer, Joe Turner, the department has no training records responsive to this request.

7. Records relating to any mobile application related to any facial-recognition product or service.

To the best of our knowledge, the Revere Police Department does not have any information responsive to this request.

8. Records relating to an public process or debate about any facial-recognition product or service, including meeting agendas or minutes, public notice, analysis, or communications between the Revere Police Department and elected leaders or county officials.

To the best of our knowledge, the Revere Police Department has no information responsive to this request.

As soon as we receive further information from Capt. Ford and Lt. Lavita, we should be able answer questions 2, 3 and 4, as well as updating earlier responses accordingly.
