Thanks. We will probably need to appeal to the supervisor. Some prior records we received, notes from the security camera group, stated that officials were in the process of preparing MOUs regarding to camera access and sharing. Those are the records we're looking for.

Hi Shawn,

Thank you. I got access. I am confused about these documents, though. We asked for MOU's, and this are not MOUs. Can you please clarify us?

Thanks!

Emiliano
