Hi Attorneys in Boston,

I have assigned most of you to a spot in a column on the calendar called "IHP Review" so that you can assist with the legal sufficiency review of Institutional Hearing Program cases. IHP cases are done by televideo from state prisons, where criminal aliens are serving their sentences. The purpose of the program is administrative efficiency, such that the aliens' removal proceedings will be resolved by the time they finish their sentences and are taken into custody by DHS. (b)(5)
