Hi All,

Please take a look at the attached document, which establishes the standard operating procedure (SOP) for tracking the Dedicated Docket (DD) program in PLANet. OPLA attorneys must accurately track all DD cases in PLANet by selecting "Dedicated Docket 2021" as the **Operation**. The procedure outlined in the document identifies the way to edit the Operation field for each case individually.

Tracking Dedicated Docket Cases in PLANet

This document establishes the standard operating procedure (SOP) for tracking the Dedicated Docket (DD) program in PLANet. ICE and the Executive Office for Immigration Review (EOIR) initiated the DD to ensure a fair and fast immigration process for noncitizen families crossing the southwest border. The DD will commence on May 28, 2021, and will be comprised of Presumed Priority 2 family unit cases where the noncitizens entered the United States without inspection or presented themselves at a port of entry. EOIR is expected to issue a decision within 180 days of the initial master calendar hearing for represented noncitizens and within 300 days of the initial master calendar hearing for pro se noncitizens. Each OPLA field location will develop local SOPs to process, litigate, and streamline DD cases.

OPLA attorneys must accurately track all DD cases in PLANet by selecting “Dedicated Docket 2021” as the **Operation**.
