Synopsis

At the request of MSP Troop C community liaison Tpr Farrah Gray the MSP UAS team provided a demonstration of the MSP UAS and cUAS capabilities to students at Tri County Regional Vocational Technical High School in Franklin, MA on Wed 3-23-2022.

From 0900-1400 hrs Lt George provided lectures on UAS regulations, cUAS issues, MSP capabilities & MSP success stories. The 9th and 11th grade students in Legal Services, Engineering and Computer Science programs also completed the FAA TRUST test and obtained FAA certificates required for recreational operation of drones. Tpr Tiberi assisted with a live broadcast demo of the UAS and dynamic/static displays in the back lot of the school.

Six flights were conducted and photos of the school & class attendees were taken (flight logs attached). Pictures and videos forwarded to Tpr Gray and Ms Brenna Ferrick (instructor of Legal Studies at Tri-County). No data retained by IMAT UAS.
