Subject: Revs Drone Flight 11/1

Hi,

We plan on flying **all three of our drones** on Monday, 11/1 in the afternoon.

Here is our flight plan:

1 nautical mile radius of coordinates 42°04'58.2"N, 71°15'48.7"W (above the two new fields behind the Revs Training Facility). We will be in the air between the times of 1:30 PM and 3:30 PM. The drones will range between altitudes of surface level and 400 feet above ground level.

Thanks,

Chris Wasilewski
