Thank you, Keith. So I am assuming that no warrants are being used when it comes to drones. I would also like to request the following:

- All records pertaining to the use of drones in exigent circumstances, per the language of sections 1.II and 3.II of the policy titled "MSP SOP – Uncrewed Aircraft Systems – 2021-IMT-001 06/2021;" and
- All records pertaining to the use of drones and UAVs, including logs, notes, police reports, incident reports, intelligence reports, and any other record that shows who operated or used drones, how and when, and for what reasons. This was point number three of the original request. We want all the records created since the MSP sent the original response on January 20.

Please take this as a new public records request.

Best,
Emiliano

Subject: RE: ACLU Public Records Request - 2021-MSP-4642

Good morning Emiliano,

The Massachusetts Department of State Police (“Department”) has received your request for “all records pertaining to successful warrant applications related to drone surveillance.”

The Department considers your request as a submission pursuant to G.L. c. 66, §10, the Massachusetts Public Records Law. Based upon the information you have provided; the Department has conducted a diligent search of its records and is unable to locate any responsive records.

If you wish to challenge any aspect of this response, you may appeal to the Supervisor of Public Records following the procedure set forth in 950 C.M.R. 32.08, a copy of which is available at <http://www.mass.gov/courts/case-legal-res/law-lib/laws-by-source/cmr/>. You may also file a civil action in accordance with M.G.L. c. 66, § 10A.

Sincerely,
